

ALL-AMERICAN MULTI-SPORT CAMP

Camp Director: Leslie (Benintend) Kiernan.

Please see reverse side for more information.

What Is a Multi-Sport Camp?

This camp is designed to teach fundamental athletic skills that can be applied to many different sports. Skills such as throwing, catching, shooting, kicking, running and jumping, and many other fundamentals will be taught.

Learning through sports will help lay the foundation for a lifelong relationship with sports. Our goal is to use sports participation and learning as a means to improve self confidence and reinforce the importance of fairness, cooperation, and team play.

All campers will have an opportunity to participate in the following **Team Sports: Basketball, floor hockey, soccer, swimming, flag football, micro-lacrosse, kick ball and wiffle ball. Recreational activities such as: Mat ball, dodge ball, wall ball and king pin.**

I have been running this camp for the last four years and it has been a huge success. This camp is for all children who want to have fun, make new friends, and learn new sports and recreational games.
