Junior Level VI Diploma (formerly the Advanced Regional Diploma)

The Junior Level VI Diploma is a 21-hour course designed for the coach working players 11 to 18 years of age. Emphasis is placed on working with the developing player within both an individual and team concept. The curriculum outlines how technical and tactical concepts can be applied in the development of players. The focus is placed on the basic methods of coaching, teaching proper technique, the theory and application of offensive and defensive tactics and understanding team management.

The last day of the course is devoted to technical and tactical uses of small-sided games, the study of systems of play and a practice teaching component. Participants are given an opportunity to conduct a training session on an assigned topic and are assessed by the course instructor. There is no testing in the Junior Level VI Diploma. All candidates must be at least 16 years of age at the time of application. If a candidate is under 18 years of age, an adult must accompany him or her for the duration of the course.
