"Thanks for putting on a great tournament yesterday. We had a lot of fun, and it was one of the better tournaments of which we were a part this year. We had really good refs. My kids really liked the medals. The AFC United Program is very much interested in playing next year if you have the tournament. PASC put on a great tournament, and as long as you host one, Athletes for Christ United will participate."
-Quay Brashear, Athletes for Christ United
